

FEATURES

- All Mods have B/R trigger kits
- All have an extended mag release
- Do not include a magwell
- All have cowitness sights and rmr adapter plates
- If the slide color is black it gets a bronze barrel, all other slide colors get a black barrel (both threaded and non-threaded)
- Grip job for all is stipple, fingers removed, 50% backstrap, double undercut with stipple, both thumbs.
- G17/34's get room for magwell
- G19's do not get room for magwell
